

Business Jargon: To take a deep dive

Posted by David Rogers - 28 Sep 2010 05:23

Definition:

To review something in extensive detail.

Example Dialogue:

A: We've got a real problem. Our product quality and customer satisfaction have slipped.

B: Yes, I agree. Please give me a copy of all the information. I'm going to take a deep dive into the data over the weekend so that I can figure out the problem.

Listen and Practice:
